

DT-Galvanized Rectangular Duct -5,6,8 ft

Performance Data

for galvanized, rectangular duct

Material

- galvanized steel
- thickness - 30ga. to 26ga.

Manufactured

- Produced in "L" shaped pieces
- Manufactured with button punch snap lock

General Information

- Duct is stiffened by using 6" on center in-line Beading or Cross Beading
- Duct is nested on steel racking
- SMACNA approved stiffening methods

Code	Description
DT34108	Rect.Galv.Duct,3 1/4"x10"x96"x30ga,Snap Lock
