

Underēve Vent® for bathroom exhaust venting (soffit)

EVE/6

EVEDVK

MODEL NO.	DESCRIPTION	COLOR
EVE/6	Underēve Vent®	White
EVEDVK	Underēve Vent® Kit	White

GENERAL INFORMATION

- Quick, easy installation
- Easily installs over the exhaust hole, under the eave (soffit) to exhaust air from bathroom fans
- Helps prevent cold air from entering home, birds from nesting in vents and rodents from entering through vents
- All components constructed of heavy duty plastic
- Opening in soffit can be up to 5" diameter
- EVEDVK includes: 8ft flex duct, 1ft semi-rigid adapter, Underēve Vent® and 2 clamps

PERFORMANCE DATA

For all plastic molded under the eave/soffit vents

Underēve Vent®

- Calcium filled polypropylene
- Melting point: 325°F/160°C approx
- UV inhibitor added
